Bank of Feather River has an Account to "FIT" everyone!

Classic
Checking

"We chose to open our Classic Checking account at Bank of Feather River because we feel comfortable banking with local people we trust and know as our neighbors. Several of our acquaintances recommended Bank of Feather River and now we are happy to refer our friends to the bank as well."

"We recently moved here and were looking for a friendly bank like we had in Texas. Bank of Feather River is a true home town community bank that welcomes folks in just like family. We are just ordinary people and Bank of Feather River treats us like royalty."

Business
Checking

"The timesaving convenience of Bank of Feather River's Remote Capture Deposit System has been invaluable. I never worry about making it to the bank on time, because now we just deposit our checks right at our desks! On top of the outstanding customer service, this is just one of the many reasons we are proud to call the Bank of Feather River family our own."

Business
Interest
Checking

"Opening an account at Bank of Feather River was the right decision for the Sutter Buttes Chapter of Safari Club International. Not only have they provided excellent customer service, but as a non-profit organization we are able to have the opportunity to earn interest on our Business Interest Checking account. The staff at Bank of Feather River has gone the extra mile in making it simple to open and maintain our account."

"Marian & I think it is important to bank with a local bank. It's the people at Bank of Feather River that make the difference, they are our neighbors and they care about us and our community. Even our dog Misty loves the attention and special treats she receives when we visit the bank."
